Dear Sir or Madam:

Advertisizing Mail is filling up home and office waste baskets at an astounding rate. In 1994, third class mail made up more than 2% of the waste thrown away in the U.S.—3.8 million tons.

I would like to reduce the amount of unwanted advertizing mail I recieve by having the following name(s) removed from computerized mailing lists:

Name: _____

Address: _____

Signature: _____

Name: _____

Address: _____

Signature: _____

Name: _____

Address: _____

Signature: _____

Sincerely yours,
